ASSESSMENT | Assessment brief

Pointer Arithmetic Assessment

Overview

Use pointers to work with arrays and strings.

Key points

- 5 questions, 15 marks in total
- Multiple choice is marked automatically
- Your teacher marks the other answers

How to use this handout

1. Read the overview first, then work through the key points in order.
2. Write down anything you are unsure about and ask in the course forum.
3. Use page 2 to plan your practice and keep notes.
